I have lived in Mt Hawthorn since 2008 with my wife Anji and 2 sons. I have been actively involved in our local community for the benefit of our community throughout.

I'm passionate about improving opportunities for all in our community, including having access to great facilities which have social and wellbeing benefits for all. They all provide the glue that bring us together as one.

I have seen this as president of my local football club where I have driven the growth of juniors and girls participation numbers over the past 5 years.

I believe in making council decisions ensures the ratepayers get the "best bang for our buck".

I am a small business owner and have a detailed understanding of managing finances.

I'm not seeking to further future career ambitions and am Independent and not politically aligned. I am a community member who is passionate about contributing my time and skillsets to improve our community for all.
