Raising twins in Vincent, I'm passionate about a vibrant, inclusive and sustainable future. As an independent, I will put you and your family first. I will listen, bring value to ratepayers and drive positive change with a caring, future-focused outlook.

Let's work together to promote thoughtful development that suits our unique neighbourhood. We'll champion eco-friendly initiatives and tackle road challenges, not just divert traffic. Let's breathe new life into community events, supporting connection and local business, and ensure accessible, high quality playgrounds, parks, footpaths and sports facilities.

I have a proven track record with 17 years in the WA public sector and a UWA Business School PhD. I recently led a community campaign against a proposed 24 hour petrol station on Angove Street. We worked together for a healthier, less congested future for residents, businesses and North Perth Primary School. Let's elevate Vincent towards a sustainable, connected and thriving future.
