

8.1 OUTCOME OF ADVERTISING AND ADOPTION OF COUNCIL MEMBERS CONTINUING PROFESSIONAL DEVELOPMENT POLICY

- Attachments:**
1. **Council Member Continuing Professional Development Policy - Clean**
 2. **Council Members Continuing Professional Development Policy - marked up**

RECOMMENDATION:

That Council ADOPTS BY ABSOLUTE MAJORITY the Council Members Continuing Professional Development Policy at Attachment 1.

PURPOSE OF REPORT:

To present the outcome of community consultation and seek approval of the proposed Council Members Continuing Professional Development Policy at **Attachment 1**.

DELEGATION:

Section 5.128 of the *Local Government Act 1995* requires an Absolute Majority Decision to amend the policy related to continuing professional development of council members.

BACKGROUND:

Council at its meeting 21 May 2024 approved community consultation of the amended Council Members Continuing Professional Development Policy.

In accordance with the City's [Community and Stakeholder Engagement Policy](#), community consultation was undertaken for 21 days between 19 June 2024 to 10 July 2024, with no public submissions received.

DETAILS:

In accordance with Section 5.126 of the Act and Regulation 35 of the *Local Government (Administration) Regulations 1996* (Regs), Council Members must complete five mandatory training courses within the first 12 months of being elected.

The mandatory courses are:

- Understanding Local Government;
- Serving on Council;
- Meeting Procedures;
- Conflicts of Interests; and
- Understanding financial reports and budgets.

The policy fulfils the requirements of section 5.128 of the Act, reinforces the City's reporting obligations and aligns with the City's existing practice. The professional development report for each financial year can be found on the City's website under Publicly Available Council Registers.

The findings of Administrations review identified the following substantive changes to the Policy:

1. Training Outcomes

The policy is lacking direction on the types of training that should be accessed by Council members. A 'training outcomes' section has been included to assist in displaying the types of training that should be sourced and the potential outcomes that would benefit the City. This change aligns with the WALGA template policy.

2. Training Approval Clarification

Clause 2 of the policy has been updated to include an additional consideration for when training may not be granted. Training and continuing professional development is for the purpose of enhancing a Council Member's performance of their role. Therefore, in some instances, approval may not be granted where attendance conflicts with scheduled Council or Committee meetings, unless Council has otherwise resolved to support this. This addition aligns with the WALGA template policy.

3. Booking Process

Clause 3 of the policy has been strengthened to include the below sentence for clarification around the booking process:

- *Council Members are not to pay such costs and seek reimbursement, except in the case of an emergency or unique circumstances and subject to the Chief Executive Officer's prior approval.*

4. Publishing Timeframe

Clause 5 has been refined to include a timeframe for when the annual report of completed training should be published on the City's website. The policy now states that the report will be published within one month of the financial year ending. This provides consistency with reporting and aligns with the WALGA template policy. This would not preclude the register from being published more frequently but would provide guidance for staff on requirements.

CONSULTATION/ADVERTISING:

The proposed policy was advertised on the City of Vincent website as follows:

- The consultation webpage published on the Imagine Vincent website from 13 March 2024 to 10 April 2024 was visited by 18 members of the public.
- News Item on the City's website – 19 June 2024.

No public submissions were received.

LEGAL/POLICY:

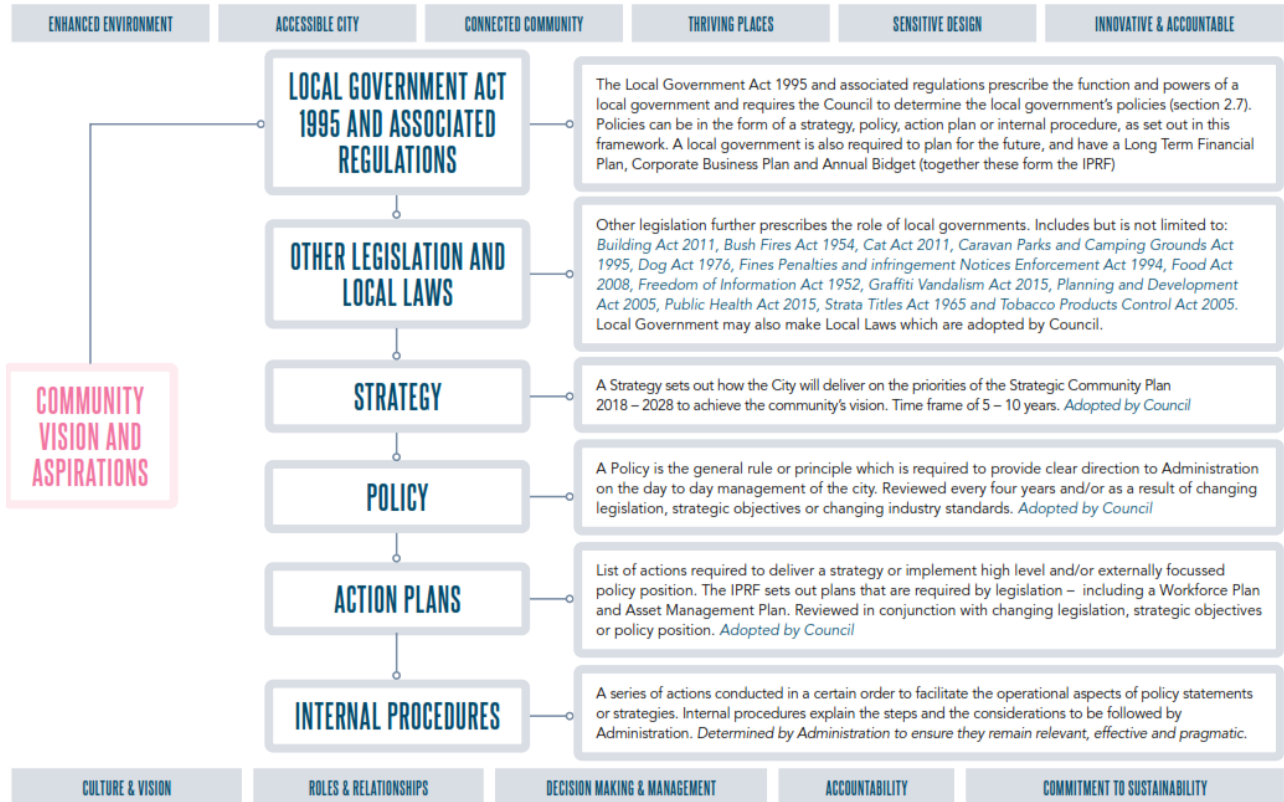

Section 2.7(2)(b) of the *Local Government Act 1995* provides Council with the power to determine policies.

The City's [Policy Development and Review Policy](#) sets out the process for the development and review of the City's policy documents.

In accordance with section 2.3 of the Policy Development and Review Policy:

The purpose of a policy is to provide guidance concerning the professional development of Council Members. Section 5.128 of the Act requires local governments to review its policy relating to the continuing professional development of council members after each ordinary election and prescribes that the local government may amend the policy (by absolute majority).

LOCAL GOVERNMENT DECISION MAKING HIERARCHY

RISK MANAGEMENT IMPLICATIONS

Low: It is low risk for Council to adopt the Council Members Continuing Professional Development Policy as it is a statutory requirement under the *Local Government Act 1995* the Council's adopt such a policy.

Not adopting the policy would be a breach of S.5.128 of the Act which requires a local government to prepare and adopt by Absolute Majority a policy in relation to the continuing development of council members.

S.5.128(5) a local government must review the policy after each ordinary election. Should council not adopt the reviewed policy this would be a breach of the Act.

STRATEGIC IMPLICATIONS:

This is in keeping with the City's *Strategic Community Plan 2022-2032*:

Innovative and Accountable

We embrace good ideas or innovative approaches to our work to get better outcomes for Vincent and our community.

FINANCIAL/BUDGET IMPLICATIONS:

Council Member Professional Development is determined through the City's operating budget.
