- Attachments:**
1. Accessible City Strategy - Annual Review III
  2. Thriving Places Strategy - Annual Review I
  3. Arts Plan - Annual Review I

**RECOMMENDATION:**

**That Council RECEIVES the Accessible City Strategy – Annual Review III; the Thriving Places Strategy – Annual Review I; and the Arts Plan – Annual Review 1.**

**PURPOSE OF REPORT:**

To provide an update on the Accessible City Strategy, Thriving Places Strategy and Arts Plan including the status of each action and how this action will be implemented in the future.

**DELEGATION:**

The annual review of Accessible City Strategy, Thriving Places Strategy and Arts Plan implementation is presented in line with Council's values:

- *We are Engaging: Listening, understanding and communicating is the key to our success.*
- *We are Accountable: We work openly and transparently to earn out community's trust.*
- *We are Making a Difference: Our work improves our community and the lives our residents.*

Council sets the strategic direction of the organisation, these strategies form a document adopted by council which embeds the Council and Community's expectations and it is important that the progress of these frameworks are reported.

**BACKGROUND:**Accessible City Strategy

The Accessible City Strategy (ACS) is a strategic framework to manage and invest in the City's transport network and bolster economic, environmental, and social goals for a safer, greener, and more connected city.

The vision of the ACS is:

*"The City of Vincent puts people first. Getting round is safe, easy environmentally friendly and enjoyable".*

This vision is supported by the following four objectives:

- Create a safe transport environment.
- Ensure easy accessibility and connectivity into and around Vincent.
- Promote environmentally friendly transport modes and initiatives.
- Make it enjoyable to get around the local area.

Within the Implementation Framework are 39 actions that seek to achieve the vision and objectives of the ACS. Administration have provided update on the status of each action and how this action will be implemented at **Attachment 1**.

### Thriving Places Strategy

The Thriving Places Strategy 2023-2028 (TPS) adopted [22 August 2023](#) is a targeted place-based economic development strategy that aims to focus the City's efforts to achieve broader social, cultural and economic outcomes through building on and leveraging local assets and delivering a process that encourages everyone to participate in shaping Vincent's places and spaces.

The vision of the TPS is:

*"Thriving places are integral to our identity, economy and appeal. We want to create, enhance and promote great places and spaces for everyone to enjoy".*

This vision is supported by the following Thriving Places outcomes:

- We are recognised as a City that supports local and small business;
- Our town centres and gathering spaces are safe, easy to use and attractive places where pedestrians have priority;
- We encourage innovation in business, social enterprise and imaginative uses of space, both public and private;
- Efficiently managed and maintained City assets in the public realm;
- Art, history, and our community's living cultures are evident in the public realm.

Within the Implementation Framework are 27 actions that seek to achieve the vision and outcomes of the TPS. Administration has provided an update on the status of each action and how this action will be implemented at **Attachment 2**.

### Arts Plan

The Arts Plan 2023-2028 (Arts Plan) adopted [22 August 2023](#) guides the City's activity and investment in the arts sector, percent for art contributions and cash-in-lieu expenditure and informs the arts policies. This includes:

- Arts commissions, projects, events and programming;
- Internal processes such as approvals, collection management and maintenance;
- Sponsorship of initiatives, projects and awards;
- Co-funding or grant funding initiatives; and
- Partnerships and collaborations.

The vision of the Arts Plan is:

*"Embed creativity in everything we do to make City of Vincent the Arts capital of Perth".*

This vision is supported by the following objectives:

- Our arts and culture flourishes and is celebrated;
- Arts and culture help us build relationships and connections with each other and the City;
- We work towards injecting creativity into all our public spaces, to showcase art and culture and deliver thriving places;
- Our places move us to discover and connect to a culturally rich Vincent that is accessible to people of all abilities;
- We cultivate a sense of belonging, pride and identity through creative insight and reflection;
- We attract artists to the community and support them to explore and grow their practice;
- We are focused on growing Vincent's creative economy through innovation and support for our emerging creative talent;
- We support bold, inspirational and sustainable thinking that draws on the expertise of our creative community.

Within the Implementation Framework are 30 actions that seek to achieve the vision and outcomes of the Arts Plan. Administration provides update on the status of each action and how this action will be implemented at **Attachment 3**.

**DETAILS:**

The Annual Reviews are attached:

- **Attachment 1** Accessible City Strategy – Annual Review III;
- **Attachment 2** Thriving Places Strategy – Annual Review I; and
- **Attachment 3** Arts Plan – Annual Review I.

The below table summarises the status of actions as of 30 June 2024:

Strategy and Plan	Total Actions	Completed	In progress	Scheduled for future years
Accessible City Strategy	39	7	20	7
Thriving Places Strategy	27	2	22	3
Arts Plan	30	0	10	20

Accessible City Strategy Highlights:

- Main Roads approval secured for speed reduction of all local roads from 50km/h to 40km/h.
- Bike Plan 2023-2028 adopted 23 July 2023.
- Draft Link & Place Guidelines developed by Hames Sharley, Arup and UDLA as a consultant team. The guidelines use the link and place framework to guide future streetscape improvements and incorporate an appropriate level of pedestrian amenity along local roads to improve the pedestrian environment.
- The City and Studio Found have undertaken a detailed design of the wayfinding signage to be installed in the City's town centres to improve pedestrian movement through these high pedestrian environments.
- The City commenced an e-scooter share system trial in November 2023 with Beam launching in February 2024. The trial will extend until December 2024.

Thriving Places Strategy Highlights:

- Small Business Program final reporting submitted 30 April 2024 with the City having completed 93% of commenced tasks.
- Inaugural round of Business Enhancement Grant program opened in October 2023 with 65 applications received during the application period. 26 applications were approved with funding of \$115,000 granted.
- Business e-news published monthly with more than 1,095 subscribers.
- The City has provided new cycle parking facilities to local businesses on request. New racks were installed on Scarborough Beach Road and Blake Street in March 2023, in North Claisebrook in May 2024 and along Fitzgerald Street in June 2023.
- An RAC grant for \$80,000 was used to activate the View Street and Rosemount Car Parks for a series of events collectively named Shortcut Lane in May 2024.

Arts Plan Highlights:

- Partnered with RTRFM to promote the arts and culture activities and opportunities in Vincent. This included six advertising campaigns including production of 30 second announcement and tailored programming of spots, e-news features and click through web banner and one live outside broadcast.
- Supported 19 community events with \$274,000 funding provided.
- Coordinated the 'Whadjuk Tale' collaborative mural in Kaadajiny Lane in Mount Lawley. This involved a lighting artist and five mural artists collaborating on the mural which stretches more than 30 metres long across two walls and the asphalted laneway.
- Relunched mural co-funding providing funding to:
  - Electric Lane mural by Luke O'Donohoe in Leederville;
  - A Whadjuk Tale collaborative mural by J.D. Penangke, Kambarni, Jarni Creative, Jack Bromell, Honeys Mural Co and Christian;
  - Lovelady in Kaadadjiny Lane;
  - Quince mural by Amok Island at Teeter Bakery;
  - Beatty Park mural by Peche.

CONSULTATION/ADVERTISING:

**Organisation Implementation**

Engagement is used to both inform the community about the proposed policy, project or propositions, and to provide some input to the shape or execution of the policy, project or proposition.

**Tension:** People feel forced leading to an unresponsive process.

**Mitigation:** Increasing the level of influence, and implementing a transparent, robust process.

**When would we do this?**

You are expected to by community

**How do we measure success?**

A robust process to engage with the community and stakeholders

**Behavioural Change**

Pursuit and achievement of the purpose of the engagement cannot be achieved without the action of stakeholder, partners, communities and/or individuals.

**Tension:** There is no collective “why”/feeling forced/judged, undesirable impact/cost to make the change.

**Mitigation:** To build the collective before the change becomes a requirement.

**When would we do this?**

The engagement leader/host organisation is responsible for identifying the problem and potential contributions for behavioural change

**How do we measure success?**Identify which audiences need to change behaviour

Extensive engagement with the community was completed during the development of the Arts Plans, Thriving Places Strategy and Accessible City Strategy.

Consultation is not undertaken on the Annual Reviews as the purpose of this report is to provide an update on the status of each action and how this action will be implemented in the future on an annual basis.

Where required consultation is undertaken on specific projects within our Plans and Strategies as required by the City's Community and Stakeholder Engagement Policy.

**LEGAL/POLICY:**

The Integrated Planning and Reporting Framework outlined by the *Local Government (Administration) Regulations 1996* requires the City to adopt a Strategic Community Plan (SCP) and a Corporate Business Plan (CBP) to be supported by the Annual Budget and a range of informing strategies. The Accessible City Strategy, Thriving Places Strategy and Arts Plan are outlined as deliverables in the City's CBP.

**RISK MANAGEMENT IMPLICATIONS**

Low: It is low risk for Council to receive the Annual Review of the Accessible City Strategy, Thriving Places Strategy and Arts Plan. The annual update provides an update on the implementation of Council's adopted strategies. These updates provide an indication on the timing of implementation and potential budget impacts associated with delivering Council's adopted plans.

**STRATEGIC IMPLICATIONS:**

This is in keeping with the City's *Strategic Community Plan 2022-2032*:

Enhanced Environment

*Our urban forest/canopy is maintained and increased.  
We have minimised our impact on the environment.*

Accessible City

*Our pedestrian and cyclist networks are well designed, connected, accessible and encourage increased use.  
We have better integrated all modes of transport and increased services through the City.  
We have embraced emerging transport technologies.*

Connected and Healthy Community

*We have enhanced opportunities for our community to build relationships and connections with each other and the City.*

Thriving Places

*We are recognised as a City that supports local and small business.  
Our town centres and gathering spaces are safe, easy to use and attractive places where pedestrians have priority.  
We encourage innovation in business, social enterprise and imaginative uses of space, both public and private.  
Efficiently managed and maintained City assets in the public realm.  
Art, history and our community's living cultures are evident in the public realm.*

Sensitive Design

*More people living in and working in or enjoying our town centres.*

Innovative and Accountable

*We deliver our services, projects and programs in the most inclusive, efficient, effective and sustainable way possible.*

*We engage with our community so they are involved in what we are doing and how we are meeting our goals.*

*Our decision-making process is consistent and transparent, and decisions are aligned to our strategic direction.*

*We embrace good ideas or innovative approaches to our work to get better outcomes for Vincent and our community.*

**SUSTAINABILITY IMPLICATIONS:**

This is in keeping with the following key sustainability outcomes of the *City's Sustainable Environment Strategy 2019-2024*.

*Sustainable Transport*

*Urban Greening and Biodiversity*

**PUBLIC HEALTH IMPLICATIONS:**

This is in keeping with the following priority health outcomes of the *City's Public Health Plan 2020-2025*:

*Increased mental health and wellbeing*

*Increased physical activity*

**FINANCIAL/BUDGET IMPLICATIONS:**

The implementation of actions within the Accessible City Strategy, Thriving Places Strategy and Arts Plan are supported through allocations within the City's existing operating budgets.

**COMMENTS:**

The Accessible City Strategy, Thriving Places Strategy and Arts Plan guide the allocation of funding and resources and direct the City's service units to deliver a range of initiatives and enable the City to effectively support and coordinate change.

The preparation, implementation and review of the Strategies and Plans allows the progress of existing actions to be monitored, reported, and updated, and new actions to be included as they are identified.

1.1 Create active, sustainable transport networks that are safe and legible.	1.1.1: Review Vincent’s Bike Network Plan taking into consideration relevant State Planning Policy to ensure the provision of a dense network of cycling routes to support cycling as a safe alternative transport mode to private vehicles. The review of the Bike Network Plan will consider: <ul style="list-style-type: none"> <li>• Appropriate network links to destinations within the City;</li> <li>• Implementing a wayfinding strategy to support the Bike network;</li> <li>• Providing infrastructure consistent with current standard;</li> <li>• Focus on improving network crossings. Including the provision of toucan crossings at intersections and safe mid-block crossings;</li> <li>• Provide access to and through all areas of open space within the City;</li> <li>• Where possible, consider the introduction of segregated cycle lanes along activity corridors;</li> <li>• Consider the introduction of parallel route connections to activity and transit corridors where there are corridor constraints and segregated cycle lanes are not feasible;</li> <li>• Advocate for slow vehicle speeds where on-street cycle lanes are unable to be segregated;</li> <li>• Extend existing infrastructure to fill network gaps; and</li> <li>• Ensure sufficient connection exists to and within with transit nodes.</li> </ul>	\$60,000	Engineering	Completed	•	•					Between December 2022 and February 2023, community engagement to inform the development of the Bike Plan (previously the Cycling Plan and the Bike Network Plan) occurred.  The draft Bike Plan incorporating community feedback was presented to administration by Flyt Transport Consultancy in March 2023. Following internal review, the draft Bike Plan was presented to Council Workshop in April 2023.  The draft Bike Plan is to be presented to June Ordinary Council Meeting for adoption.	Council adopted the Bike Plan 2023-2028 at its 23 July 2023 Ordinary Council Meeting.

A range of funding sources will be considered, and all initiatives will be subject to budget approval through the budget review process.	The City is currently progressing a detailed design for the Norfolk Neighbourhood Safe Active Street. PJA Consultants were awarded the contract for the 100% design in December 2023 and further community consultation is being planned in the 2024/25.
	1.1.3: Develop and implement a consistent wayfinding and signage strategy across the City. This should consider parking, cycling and pedestrian transport modes, and provide appropriate localised details for each town centre and activity and transit corridors.	\$50,000	Urban Design & Strategic Projects	On Track	•	•					The Wayfinding and Signage Plan was adopted by Council at its 15 November 2022 (Item 9.4) Ordinary Meeting.	The City and Studio Found have undertaken detailed design of the wayfinding signs to be installed in the City’s town centres.
		\$500,000	Engineering	On Track		•	•	•	•	•	Following adoption, \$198,000 from the cash-in-lieu for carparking reserve as approved by Council in the 2022/23 financial budget was allocated to the implementation of the Wayfinding Signage Plan.	In 2024/25, the City will undertake procurement to fabricate and install the Wayfinding Signage in the City’s town centres.
