## PRELIMINARY

### INTRODUCTION

The City of Vincent offers a range of grants that are aimed at helping local people to take an active role in shaping our community. Community funding provides an opportunity to contribute towards the City's vibrancy and diversity by working collaboratively with a range of community groups, organisations, businesses and individuals to deliver initiatives that increase social participation, strengthen connections, build capacity and deliver economic and environmental benefits.

### PURPOSE

This Policy outlines the Community Funding opportunities available from the City of Vincent, with the purpose and eligibility criteria for each funding category then guiding the level of financial support that may or may not be provided.

The Community Funding opportunities outlined in this policy are solely for the purpose of delivering positive outcomes in the City of Vincent for the local community.

Applications for funding will not necessarily be approved and any initiatives that have previously been supported through Community Funding cannot be guaranteed in future years. The availability of funding remains subject to Community Funding allocations within Council's Annual Budget that may vary from year-to-year.

### OBJECTIVE

- To provide financial assistance through grants, sponsorship, donations, waivers and in-kind support to assist groups, organisations and individuals to deliver positive community outcomes.
- To use community funding as a strategic opportunity to strengthen quality of life within Vincent through improved community engagement, partnerships and participation.
- To complement and support both Council and community priorities through a range of community funding initiatives.

### SCOPE

This Policy applies to all requests from community groups, organisations, businesses, schools and individuals for the provision of financial support towards projects, programs, events and other initiatives that service the Vincent community.

## Conflict of Interest

Officers assessing grants have a responsibility to declare any conflict of interest with an applicant or project.

## Financial Considerations

The total funding pool of the Community Grants Program will be listed in the City's Corporate Business plan and included in the Annual Budget and approved by Council each year. Grant applications are assessed and approved by Administration based upon funding category guidelines and criteria.
